“ Thank you for doing this. I'm related to her husband on his mother's side. She looks like she was a beautiful and sweet woman. Wish I would have had the chance to meet her.

“ Hello Jackie,
My Aunt Billie sent me the news about your Mom, Aunt Betty and I was deeply saddened to hear about her passing and your loss. I know how difficult this is for you since I went through the same grief when my Mom, your Aunt Eunice and my Daddy, your Uncle Bill, passed away. I want you to know that my thoughts and prayers are with you during your time of grief.

Aunt Betty was such a bright light of energy and she loved all of us with all her heart. She was always so much fun when we would spend the night with her. Especially when my sister, Wanda, would stay over. She would come home and tell us about all the games and fun things Aunt Betty did with her while she was there.

Aunt Betty was so proud of you, Jackie and those times when I visited she told me about all your achievements and I saw in her face the joy she found in you.

I know you will miss her and I pray that you will be able to call on your strengths and your family strength to help you get through your grief.

May God bless you and your family always.

Love,
