“ *Pastor Stiles was my first pastor where i got born-again back in 1977. Thankfully i got such a great foundation under all his teachings and fired -up sermons,where tears and compassion for the lost were shed. The memories of all the times Tony&me spent in Marie&Pastor Stiles home I'll always cherish,having talks about the Lord and eating meals there,they were some great times in the beginning of my salvation,Marie and girls  
my thoughts&prayers are with you. Love,Karen Knapp*

“ *Pastor Stiles is my "father in the faith". He was always right there to answer every question I had about being "born again". There's not a day that goes by that I don't use some basic principle that he taught me. I look forward to the day that I'll get to see him again!*

I'm so thankful to have had him as an Uncle, a TRUE man of God. You ALWAYS saw Christ's love in him and it ALWAYS reached out to everyone. Because of him I have a strong solid foundation in the Lord.
