“ To Ronnie and Karan and all members of "Bill`s family", Sandy, Cathy, and I, send our deepest and most loving condolences and let me share that Bill and I have been friends for over 62 years, having met at Spartanburg Methodist College. Over the years, we have gone our seperate ways but always remained more than friends. He was Best Man at my wedding. It was the first and probably the only time either of us have been dressed in Tuxedos. I loved Bill for the man he has always been No one truer or more dependable. One of my fondest memories of Bill was the time Bill had gone frog gigging and we took them to his sister, Marguerite, to cook. Her and her husband, Brodus and Bill and I had been having a "Nip" or two and when those frog legs started jumping Brodus started jumping and we were rolling on the floor laughing. That was my one and only experience with frog legs. Due to my age and health, I will not be able to come for the burial service but be assured that I will be watching it on the website video. Bill was an important part of my life and he will always be in my heart.
