“ Theresa...I can only imagine how you feel and that your heart is breaking. He was one of the best Uncles and his sence of humor will be missed and remember.

But just think of stepping on shore and finding it Heaven..of touching a hand and finding it God's..of breathing new air and finding it celestial and waking up in Glory and finding it home!

Keep the Faith...Isaiah 40:31

Love ya!##imported-begin##Debi Rowland Hembree##imported-end##

“ I was close to uncle Bill growing up and I could always count on him to tell me a joke and to give some of the greatest advice I ever received. One day I saw Uncle Bill at the store and he said, "David you ever thought about how elevators smell to midgets?" I will never forget that. I love him so much and going to miss that smile. I bet he's got them all laughing in Heaven right now. Thanks for being a true friend and Uncle.##imported-begin##David and Sandy Rowland##imported-end##

“ I am so sorry for your loss. My radiation treatments keep me from being with Roddy this weekend but my prayers are with the family... We know that the grave has no victory and death has no sting and how much more could we want than to have our loved ones in the presence of the Lord.##imported-begin##Cathy Duckworth Brewer##imported-end##
