“ *Loved my sweet, precious Uncle Billy Joe. He was one of a kind. He was always so good to me. He took me to work some when I was young. He smiled and made me laugh lots when we visited. I know the family will miss him so very much. Sending prayers to them all.*

Our deepest sympathy goes out to this family. I grew up with his stepdaughters and they thought a lot of Mr. Bill. Remembering you all in our thoughts and prayers.

Condolences to all the family - but especially to cousins Kathi, Terri, & Jennifer. We so enjoyed our last visit there - just before covid! He can now join Karen and his other family members that went ahead of him. Hugs to all!
