“ I am just taking a few minutes to share an encouraging scripture with you in regards to your recent loss. I am so sorry for your loss. I am unable to get out like I would like to and find it helps me to share encouragement with others. The scripture that has been very helpful to me is in the Book of Revelation and Chapter 21 and verses 3 and 4. It shows that in the future God will do away with sickness and death.

Hope you find time to read this in your time of sorrow.

Sincerely,

Junie##imported-begin##Mrs Laine##imported-end##

“ Never had the privilege to know Mr. Billy..... but as a proud "Horton" myself, I'm deeply saddened when a fellow "Horton" passes on. I pray that the Lord may comfort you and yours during this very difficult time.

With Regards,
