“ *Hilda, Lisa, Suzanne, Lynn, and David:*

*I was so sorry to hear that Billy had passed away. One of the oldest memories I have is of Billy working in his back yard and throwing up his hand in hello every time I he saw me - whether it was one time that day or twelve. He was always such a wonderful neighbor to everyone in that community, and I will miss seeing him throw up that hand now when I visit home. I'm so sorry for your loss and will be thinking of everyone in the days to come and wishing you comfort.*

*Love you all,
