“ Kathy,

I am so truly sorry about Bill. I know the last few years have been very hard for you. It gives me a sense of peace to know that Bill is whole and healthy again, just like Ronny. I live in Spartanburg now and sent flowers before I read in the paper that you preferred memorials. Since Ronny's devastating illness and death, it is extremely difficult for me to go to funeral homes. I hope you understand. You and Rhonda are in my thoughts and prayers.

“ I am so sorry to hear of Bill's death.
Our father's were brothers and Bill and I were cousin-friends when we were teens. We often visited W.L (Bill's friend) and his sister Shirley Revan (my friend) on Sunday afternoons. The boys had bikes and we all rode them up the little roads that surrounded the Revan home. Bill and W.L. could ride up the steep hill but we usually had to push our bikes part of the way up and then we all 4 rode "flying" down together laughing and screaming when they got too fast! Fun times!
