“ Dear Pat and Nancy,

Meeting you and your father was a joy. I shall never forget his words to me on Monday, when I introduced myself to him as a preacher who wanted to pray with him and read some Scripture. He said, "I love preachers." And when I left I urged him to "Keep loving Jesus!" and his response was, "I do Love Jesus, I do!" I did not realize then that we would not have conversation again...in this world. I believe when I get to heaven I will meet him again and he will still be proclaiming, "I do love Jesus, I do!" My prayers are with you and your family during your time of grief and adjustment that we spoke about on Thursday. God bless you and your families.

“ *So sorry to hear about Billy Mack. My daddy was his boss at Southern Bleachery in Taylor's in the early 1960's. He was always nice to me whenever I saw him. My deepest sympathy goes out to his family.*

“ Dear Pat & Nancy:

My heartfelt sympathy goes out to you and your families in the loss of your sweet little Billy. I miss being with you at the Cottages and always enjoyed seeing him when I visited Aunt Geri - his sweet smile was always like sunshine. He now is in a better place in a new body and with your Mother - I am sure Aunt Geri has greeted him already in their new eternal home. Our hearts are broken but we can rejoice in God's promise that we will see our loved ones again in the "Sweet Bye and Bye" and what a wonderful day that will be! May your many memories keep him close to your heart and my prayers are that GOD' s mercy and love give you peace during this sad time. With my love and prayers, Linda
