“ To Sarah & Suzy, I am so sorry about Billy’s passing. I remember when he was born. I was 12 years old and baby sat him one time while Patty and Tommy went somewhere. I spent many summers and Christmas holidays with your family during the time y’all were born and growing up. Mama loved Billy and they would talk for hours until she became unable to talk then he would call and check on her. May God comfort your hearts in your loss.
