“ Oh my precious daddy, I can only imagine the many, many stars in your crown. I miss you so much. Its been almost 2 months since you left us. The love you had for all us children was felt so deeply and oh how you loved moma was more than words could ever express. You never give up on any of us, and thank you for the wonderful Christain example you showed me and my children - As it is said, I wish I had one more day with moma and you. My last look at you was when I left the hosptial and as I closed the door to your room, I turned and threw you a kiss and you winked at me. Daddy I want you to know You truly are the best man I have ever known. I Love You So Much !###imported-begin##Billie Jo Shifflett###imported-end##
