“ Dear Belinda and Tommy,

*When I was Sales Manager for Paget Chevrolet, I was looking for Bob because I heard that he might be interested in a job. But, I didn't know where to find him. I was asking around and someone told me to go to the Green Top Service Station and that he would be playing the pin ball machines. I did find him there and offered him a job. His reply was "yes, as soon as I finish this game." We both had a good laugh. He was a great salesman and truly a fine man. It was my pleasure to have known him.*
