“Bobbie & I were friends from many years. We enjoyed evenings out for dinner and a movie. I will miss my friend, and our long conversations. I told her she must hurry and get well because we were planning a beach trip together. My heart is heavy, and I know the entire families is as well. We must remember the good times and precious memories we have because that's what she would want. Until we meet again Ms. Bobbie, know we love you and you are flying high without pain.

“Todd and Julie, I am so sorry for your loss. Growing up across the street from you gave me great memories of your mom. She was a kind and good woman.

“ So sorry to hear about Bobbie. She was a very important part of our lives during the first 6 years of Ryan's life and first 2 year's of Aaron's. She provided loving care to them while I worked and I've thought of her often over the years since. Ryan is now 24 and Aaron is 20.
