“ *I will never forget this sweet ladies smile and laugh!! I loved hearing the story she would tell about “the cat” It was funnier just hearing her tell it, because she would laugh so hard with tears coming down as she tried to tell it. You will be greatly missed!!! Love you so much!*

“ *To the most adorable mother-in-law anyone could ever ask for. She took me & my children under her wing and treated us like we belonged there.*

The world is a darker place today. I hope to be half the woman she was!
