“ Bethie, I am so very sorry for your loss. I know there are no words to make you feel better, but know that I love you and am here for you if you need anything. Your mom was always so nice to me and I could always tell she loved you very much. Thinking of you lots.

“ I have never laughed and never cried harder than I did spending time with Bobbie. She was truly an amazing person facing enormous trials with great faith, dignity and a sense of humor like none other. Her giving spirit is only matched by her desire to help others and her assurance that The Lord would supply all her needs. Beth, to you I would say that without a doubt there has never been a more longed for and loved child than you. You blessed her life in ways that you will never imagine, you occupied a space in her heart that you alone could fill. I am a better person for knowing Bobbie Jean and heaven open its gates to welcome her with all its glory, she is healthy, happy and free. And with any luck she is working in the bakery.##imported-begin##Kim Weathers##imported-end##
