“ Bobby had so much love for everyone he was around! I've only worked at Bausch and Lomb for almost 8 years but in those years I grew to love that infectious laughing every time he came in MQA to see Kristen or us! Bobby and Kristen took me (and my husband Sherm) to Beacon restaurant the ONE AND ONLY time we've been! The food was great and we really appreciated the experience! Love you my friend and coworker, always and FOREVER Sylvia Lyles! 🙏

“ Bobby was like a brother to me. We went to school together. And
then I was blessed to work with him for many years. His daughter
Elizabeth and my son Travis went to school together as well.
Anyone that has ever met Bobby couldn't help to have liked him. His
sense of humor was magical. May God comfort his family in their
time of heartache. Heaven has gotten a little sweeter. I'm honored
to have called him my friend. Rest in peace Bobby till we meet
again.

“ Bobby will be missed so very much! His positive and fun personality was something that could always be counted on. I've worked with Bobby as part of our Bausch & Lomb family for many years and could always go to him if I needed some help on the "remember when" questions.

My prayers continue to go out for Kristen, Margaret and the family. Our God's plan is always greater. RIP Bobby!

“ Just wanted to share my thought of how Bobby meant a lot to us that worked with him all these years. I really looked forward to seeing Bobby at work because of how he could lift my spirits with his humor. I recall the team building sessions that our department went through this past year. One thing we had to do was a survey that revealed each person's positive personality traits that contributed to the team. It was no surprise to the rest of us that Bobby's dominant trait was the cheerleader, the one that kept our spirits up.

I will sorely miss Bobby! He was like a brother.

I pray for the family to have strength in the days and years to come!
