“ Bob and I knew each other through Sunday school, Royal Ambassadors and the diaconate at Taylor’s First Baptist. He was a credit to every endeavor that he joined. I especially remember with fondness the noon hour “spiritual development “ sessions that we spent at Ryan’s Steakhouse along with Wally Salmon. Great times! Bob was a grand spirit and is missed by many.

“ Bob and Donna Kerns were members of the same Sunday School class Ken and I attended. I always enjoyed talking with them on Sundays, especially after their son became a student at NGU and afterwards as they were both so proud of their son. We were blessed to know them. Ken and Cathy Sepko
