“ I have known Bobby for to many years to think about. From the Fiber Industry days, through Hillcrest days to living in the same apt complex and his marriage to Maria. I talked to him after he became ill his thoughts and concerns were always for his family. He loved his daughters dearly and spoke of them every time we talked. His contagious good mood and sense of humor will always be remembered. May God comfort each member of his family especially Dusty, Wendi, Maria and the grandchildren in this time of sorrow.

Thanks for letting me know about Bobby's passing... we lost touch with each other soon after he told me he was remarrying... I'm sorry to learn this....
