“ Mom I will truly miss u more than u could ever imagine. I know u are in a better place now and I know we will meet again in our new bodies. We had alot of good times together and our family always loved ur weekend visits and we saw the excitement in you when we had cookouts and friends over. Everybody loved u so much. You always knew how to fit in and make people laugh. I will also miss our conversations we had during the time I was out on the road. U were a big part of my life. I know ur favorite thing to do was always eating especially steaks, I will miss being able to take u out or cook for u. Mom I Love U with all my heart and I will miss u. TILL WE MEET AGAIN.
