“ *Didn't realize Bootsie had passed until a few days ago. I tried her old cell phone number one day and she answered. She let me know she was in a nursing home. She seemed weak. I worked with her at BMG. She was a beautiful woman. A few of us ladies hung out together. But lost touch with her. Loved her so much.*

“ *I worked with Bootsie. I loved her like a mama. She would want me to arch her eyebrows and I would. She loved her family as she would show photos of Lewis and the boys. I know she will be missed. Thought and prayers with the family*
