“ Mr. Bunchy never missed an opportunity to greet someone with a smile, whether at church or Bojangles. He shared the best stories, but loved conversing and listening just as much. I am so very saddened to read of his passing. I know I will never walk through the doors at Greer First Baptist without looking for Mr. Bunchy to greet me with a good hand shake and a smile.

“ I have known Bunchy for over twenty years. He was a very man and all who knew him loved him. He had a great sense of humor and a very funny laugh. I know he will be missed by all who knew him. Our prayers are being lifted up for the family and friends. Bye, bye Bunchy, Rest in Peace.

“ It seems like I have known Bunchy all my life. He was older than me, but I remember him drag racing around town and at the dragstrip with a (if I remember correctly) black 57 Chevy with black and white checkerboard roof known as "the top cat". He was always a "character". He always seemed joyful. I wish to express my deepest sympathy to Sandra and the family; you will be in my thoughts and prayers during this very difficult time.
