“ You were the son I never had when you came home from being shot helping you get dressed if you wanted something to eat and drink I did that. I got up and helped you no matter what time day or night I did it yeah sometimes I got a little grumpy but I didn't mind doing all that for you at all it was my pleasure to help you. I loved you like my own son. I always looked forward to going fishing with you even though it was mostly last minute trips you gave me a sense of joy that I hadn't had in a long time with those fishing trips it had been over 15-20 years since I went fishing until I went with you and Amanda I always had a blast even if I didn't catch anything but being there brought back a lot of good memories for me with my dad. The last time we went fishing it was on 9/4/2023 Amanda was asleep in the van I hooked a fish on her pole I got so mad at you for taking my fish away I didn't even get to fight it for 1 min before you kept on and on give it to me give it to me and you reeled in that 35-45 pd catfish I wanted to fight it for a little bit but you wouldn't let me you kept saying it's your fish mama I told you no it wasn't because you reeled it in. I am so glad that you got to reel it in because that was the last fish you got to reel in. I should of taken a picture of it for you but I was to busy pouting telling you that you stole my joy away from me. If I would of know that it was gonna be the last time I would of gladly let you . I don't think I will ever be able to go back there again for a long while. It won't feel right you not being there. You embarrassed me the night you said shane will take you out on a date you seen my face turn beat red especially when he said he would. I didn't know what to say to him after that. I miss you so much it feels weird to be in this house and you not be here anymore when Amanda is at work I keep waiting on you to call me to get you something to eat or drink or help you change or get dressed . You will always be my adopted son no matter what in my heart. I am so glad that you had Amanda as your woman she was so good to you. You didn't want for nothing you always got your way with her money to gamble with anything she could do for you she did .

You will be forever in my heart I love and miss you so much keep an eye on all of us ps you never showed me how to read my tarot

cards now I gotta look it up online you know I get confused easy about things like that lol
R.I.H TIL WE MEET AGAIN I LOVE YOU MPRE THEM YOU EVER KNEW WE WILL NEVER FORGET YOU.
