“ I recently moved back to SC and heard of Brenda's passing  
We worked together for RE Wright DVM at Greer Animal hospital.  
Brenda was a wonderful kind person & awesome teacher of her  
vast knowledge of veterinary medicine. She and all those animals  
we treated along with Dr R E Wright DVM are enjoying them in  
perfect health

“ *Brenda and I have been friends since before we knew what being friends meant! We lived across the street since she was one and I was zero!*

*Down through the years she has been so faithful to be there for birthdays, anniversaries, and special events. Both for the laughter and the tears.*

*To Marion, Missy, and Mitch, know my Thoughts and prayers are with you. Think back over the many years of happier times!*

*Note to Mitch: Dad gave you high praise last year when we were outside! He said, “That boy is doing a good job on his house!”*

“ I remember Brenda as one of my favorite people when we were in Junior High School together. She is still a special friend although we didn't see too much of each other once we graduated. Rest in Peace and I love you Brenda.
