“ *My condolences to the family... I didn't meet her often, but when I was visiting friends in SC, and would attend a New River concert, I'd almost always meet both Mike and Brenda.*

“ *Brenda and family, this page could not hold all the wonderful memories we have of Brenda. Brenda was just enough older than me that I always looked up to her when we were children. She kept Donnie and me in line a few times (a lot!) when we'd get into a little mischief. Nothing will ever replace what all of us cousins shared, our times together and the memories will live in our hearts forever. Michael, I send you a heart filled with love and pray that your grief will soften with time. Donnie, I know your heart is broken. May you find comfort in knowing that Brenda loved you dearly. And I hope you will always feel her with you...and listen when she's steering you in the right direction. We will all be together again one day. Brenda, I love you.*

“ **BRENDA’S FINAL REST**

*Although she’s in her final rest
You took care of her, you did your best.
She did not want for a single thing
She’s happy in Heaven, can you hear her sing?
She’s with OUR FATHER in Heaven Above
And now she knows of HIS Special Love.
The Angels were there to lend her a hand
They escorted her safely to the Promise Land.
Her journey was easy and there was no pain
There will always be sunshine and never the rain.
You gave her your love, your care was the best
Please put it in God’s Hands, for HE’LL do the rest.
The Angel’s were there when she needed them the most
She’s now in the care of our Heavenly Host.
She’s your Guardian Angel and protects you each day
She’s sitting there listening each time that you pray.
It was her time to go, but not your time yet
She’s whispering softly she has no regrets.
You’ll be together again in the “Here Ever After”
Where there are no tears, only the laughter.
Continue forward with life as never before
For we will all reunite at God’s Glorious Door.
Be strong and of courage as you’re never alone
One day you will sit at the foot of God’s Throne.
Find comfort in God from our Heaven above
Always feel HIS presence and HIS Special Love.
BRENDA is so Blessed to share family love so true.
She has only left this earth, she will never leave you.*

I pray that as you travel this road that you realize God is carrying you through. You are never alone as long as God is a part of your life and we know that HE is. We know not the reason God chose to bring Beautiful BRENDA HOME to HIM, we only know that she is in a Glorious Kingdom where there is no more pain or suffering. Listen to the wind as it gently passes by your ear. If you listen you will hear

her whispering Thank You TO ALL MY FAMILY, FRIENDS and LOVED ONES for loving me and for the wonderful care and life you gave to me. I Love You! One day we will reunite in God's Glorious Kingdom! It is so beautiful here.

BRENDA will always be a part of you and as difficult as this is right now, hold on to the knowledge of knowing that when God decides that our time here on earth is through, when we have achieved the goals HE has set forth for us in HIS Plan, it is our time to go Home to HIM. One day we will be reunited with all of our loved ones whom we were called HOME before us. Take care of yourselves and find peace and comfort in God Our Father and comfort knowing that BRENDA is so truly Blessed by God for being allowed the time you shared together. And we know that you are Blessed by God also for having her, as your very BELOVED FAMILY and BELOVED FRIENDS to share a part of your life with.

I am here should you need me or just need someone to talk with. I will continue to pray for you and your family. I love you and together, I will try and help you through this difficult time. BRENDA is a true friend and HERO to everyone she encountered! Her courage, love for God and family and her bravery in her life has touched the hearts of everyone who has met her and have had the honor and privilege to know and love her. She was always smiling and as she smiles in Heaven now looking down upon you, she is Your Guardian Angel. BRENDA WILL ALWAYS HAVE Hugs in Heaven from all your loved ones. FLY HIGH BRENDA FLY HIGH WITH THE ANGELS. YOU HAVE EARNED YOUR WINGS. You are so loved and missed by so many! We will never, ever forget you or your beautiful heart and smile and your unconditional love! If you need someone to lean on, I will always be here for you!

My heartfelt condolences for this tremendous loss you have to endure. This precious lady did not deserve this nor did your family. He should have lived healthy much longer for all of us who love her and will miss her. I truly love each of you.

In Christ's Most Abundant Love,

Donna Armstrong
