“ Gerald, Rodney, Tracie, And the Other loved ones of Joan’s family, I am deeply saddened to hear of your loss and the pain that you are experiencing. She was a beautiful lady inside and out and she loved to tell you about her family. She loved, bragged a little, always had a story to share that made her smile. May you have peace in your heart today knowing that she loved you and that she loved Jesus and one day we can be all be reunited together again. I am grateful that I got to know her over the many years. I will have you and your family in my thoughts and prayers in the upcoming days ahead. Love and hugs my dear friends.
