“ Heaven got another angel !!! She will be missed by so many . My prayers are with her family . Her daughter Paula and I have been friends for over 30 years band every time I spoke to Paula she had a story to tell about her mom , about her good days and her bad , funny things she did or said that day . I hope Paula continues to tell stories about her mom cause she was a great woman who deserves to have her memories kept alive . She loved to sew I can almost bet she's the one sewing wings on in heaven . She will be so missed but knowing she's at peace now no more Dialysis , no more pain helps the heartache of losing her. RIP see you again one day!!!!
