“ I Stil remember the first day I met this sweet lady. Her and Kenny welcomed me in the first day Lisa (His Daughter) took me there. I was so nervous and not knowing what to exspect. From that day on they were so good to me. Kenny would take me and Lisa to the land to look at the pond,deer and for arrowheads. They excepted me even though they didn't know me. She all ways treated me like family. I'm gonna miss seeing her on Saturdays before work. Love you Brenda and I'm so glad I got to be apart of y'all's family.
