“ *I was friends with Gail through our sons, Justin and Joseph. Justin,  
LBG notified Joseph last night with the news of your mom. He said it  
saddened him as he liked your mom. Me, too. He said for me to  
give you a hug when I saw you. I don't know how to reach you. We  
would love for you to stop by the house soon to catch up. It is so  
ironic that I was going through our picture drawer yesterday and  
pulled out pictures from your senior prom, Sarah Smith's house  
before, and Katie Connor's lake house party. I was just looking at a  
picture with your mom in it at the Smith's. What a beautiful lady!  
Thoughts and prayers are being lifted for you and your family. I  
hope you find comfort and peace knowing how much your mom  
loved you and how much other people loved her. Love you, Justin.  
💖 Come by soon. Martha*
