“ i was a close freind of bodie's. he was like my brother. me and everyone on my bus, that rode with bodie are very sad, as he was like family. i can't beleive he won't be with us anymore, but i know that he is in a much better place now. he would not want us to walk around with our heads down because of this. he loved everyone, and was a really sweet boy. i know that he loved his family dearly, and is looking down smiling at everyone he knew. may he forever rest in peace. and may everyone who knew and loved him understand that he is never to suffer again where he is, and would not want you to either.

-r.i.p bodie boy. i will love you forever even after death. you will not be forgotten. for you have forever changed the lives of many.##imported-begin##hannah phillips##imported-end##

“ *Bodie and Dallas touched my heart the first time I met them. They continued to fill that special place I had for them in my heart over the years. While my heart feels broken right now I know God will keep all the love and memories held tight and I will carry Bodie with me for the rest of my life. I'm so sorry for the pain the family is going through but I am blessed to have had the opportunity to know Bodie and hold tight to the knowledge that he is happy and safe in God's arms. Praying for peace and comfort for all of you and I love you all tons! Jody*###imported-begin##Jody Babb###imported-end##
