“ *Louis and I were friends with Brian in the early 80. Brian’s family lived in the Cloisters near Louis’ family. We have not had much contact after he moved from Charlotte. Brian was a kind, gentle, and, easy going guy. He was always a good friend. We just found out he died and are devastated.*

*Louis and I send sincere condolences on his passing. A good life cut short. We will hold our fond memories in high regard and know that his memory will be a blessing for all who knew him.*

“ Dear Rhonda and to Brian's Family,

*My memory of Brian started in the early 90's at Bell Altantic Mobile. I remmember him being young and ambitious with a quick smile and a laugh.*

*He was always willing to learn in an industry that had a no prisoners attitude, which made him an asset he was persistent.*

*He was never afraid to ask questions, and If he did not know the answer he would find someone who did.I never found Brian to be prideful.*

*He was a good man, kind and generous in spirit.*

*I remmember a young man that was always excited to see you Rhonda.*

*You were working in the call center back then.*

*I know words sometimes are not always expressed like we would like them to be at a time of such heart break, but he will always be with you and his freinds in our hearts and minds.*

*With my deepest sympathy,*

“ I worked with Brian many, many years ago, when he worked for Crown in Greeville. He was always a kind man with a big smile on his face. No matter what kind of day it was, Brian could make it a better day with his big bear hugs. He will be greatly missed. May God grant you peace as you figure out life without him near.
