Brian and Pauline we have always thought of you both as dear friends . Billy and I will miss Brian dearly and we keep the good times we shared in our hearts the laughs and just knowing Billy had a person to call when caught in a jam for work. Love you Pauline

Respect to Pauline Peters or "P" as she's known by many. This has been hard and people say it gets easier but I'm really waiting for the day I can say it does because it hasn't. This man was someone I had the pleasure of being on the front line with for many years and it's hard to mourn the loss of friends I've done it. But honestly it's way harder to mourn the loss of a brother and my name may not be the same but my love is and I do love him like a brother. I know that God now has one of the best plumbers and friends that anyone could ask for. You truly were a blessing to alot of us and you're never forgotten.
