“ I am so sorry for Wendy's passing. I have only just met her in a class we are sharing. Her wonderful spirit and presence have been special gifts in my life. Because of the deep sadness I feel I can imagine the loss such a warm, intelligent, sweet person involves for her family and friends. I want to add my experience of her to her remembrance as well as my hope that every day will bring deeper and deeper peace during this very sorrowful time.##imported-begin##Susan Thomas##imported-end##
