“ Bruce was my uncle. He and my aunt Moise (my mother's sister) were an important part of my life. I loved them, and I know they loved me. Our families enjoyed many wonderful times together - I grew up when families still visited one another. Bruce was a loving, giving person who will be missed. Doug, I hope you put \$2 in his pocket one final time!##imported-begin##Myra Smith Boland##imported-end##

“ Bruce was my uncle. He succeeded in life through hard work and a wonderful personality. His early years were tough. He served our country and his family with great pride and dedication. I never was around Bruce when he was not happy. He was always composed and loving through all the trials of life on earth. One of the greatest salesmen ever. He was loved and will be missed. A special thanks to my cousin Doug for all his patience, dedication and loving care to both Bruce and Moise over the years.##imported-begin##Don Dillard##imported-end##
