“ *It has been six months since you left us. I miss you. This will be the first thanksgiving and Christmas without you. Mama really took it hard when you left us. I thought for a while she was going to grieve herself to death. It almost seems like a bad dream that you are really off working somewhere or just at home with Vicki. I love you. See you again someday. By the way your service was great, all your biker friends were there. You would have been pleased.*

“ Vicki,
I just found out today of your loss and I am lifting you and the family up to the Lord. I will never forget that day you came to Stoney's to witness to me about the Lord and on Nov. 20th I came down and we went to the prayer meeting at Sharon Blackburn's house. At first when I saw Bryan I didn't know who he was, now that's what Jesus can do for you and I remember so very much how I saw Jesus all over him, it even makes me smile now! I was just thinking I bet Wayne didn't think he would see Bryan so quick but we never know but thanks to you and Bryan I KNOW, maybe not when I'll go but for sure where I'll go!!!! I LOVE YOU WITH ALL MY HEART.
