“ Dear Betty Kaye and Families, I am sad to see Buddy's passing. He was such a sweet natured gentleman and a dear friend during our high school years. I have such fond memories of riding to school with him and Wayne during those times and our talks about our future plans and listening to our favorite music of the times. Buddy was a good sounding block. May God wrap you in His love with mercy, grace and strength to give you peace and comfort during this difficult time. May your memories give you some joy and comfort during the coming days. May God bless each of you and be gracious to you. My love and prayers, Linda Coggins Roberts
