“ Butch was a friend since we moved to Greer in 1966. At that time Butch and I were 10th grade classmates. And thus the friendship began. Agreeing with Mike Masters' comment about the memories. There are many. It won't be the same without him. I talked to him on the phone in early January - wished him a blessed new year .. little did we know.##imported-begin##Lloyd Wright##imported-end##

“ *Butch was such a kind person. Knew him from elementary school and on through high school.
Lived only a couple of blocks away while growing up. Enjoyed his humor, he always
"aced" the history tests in school. He will be missed.

“ I met Butch around six years ago at the Blue Ridge Shooting Sports. Being a gun enthusiast, Butch and I shared a lot of common beliefs. Over the years I have visited his home where on two separate occasions, Butch was kind enough to allow me to bring my grandson (Drew) to his home where Butch would show his military collection of inert weapons to Drew. Butch was always a quiet sort. At times (though he would never admit it) Butch was a lonely man. He didn't deserve this dastardly attack which ended his life. He will be missed.##imported-begin##William Piergiovanni##imported-end##

“ Butch was a good friend.
A big man with a heart to match his size.
I have enjoyed his friendship for 29 years. I am going to miss him more than words can say.
God Bless and keep him, he's in your hands now.
I won't say good bye, just,
"Until we meet again my old friend!"##imported-begin##Ray & Jean Wilson##imported-end##

“ Butch used to ride with me in Greer many times when I was a police officer and we've always stayed in touch. I hate that evil came to his house but I'm proud he eliminated all of us from that evil. Butch was a great guy that didn't have a mean bone in his body. My thoughts and prayers go out to the family and I will always remember Butch!##imported-begin##Jay Williams##imported-end##
