“ *Sonja, Chris and Family, my heartfelt sympathy in the loss of Butch with so many friends that loved him and the man he was. It was good to see Sonja and Butch at one of the last Class 56 lunches at Lil Rebel. I loved to hear the stories of the sport years from the 'Victor Y' times for the many kids who grew up enjoying the fun and sports that was sponsored by the mill. My husband Clyde spoke so often of Butch and others of those years, and the basketball, games, and some jokes that kids played on each other. Butch was one they all looked up too! He will be so missed by all who knew and loved him. May God surround the family with His love and peace during this sad time. God bless and keep you. Sent with my love and prayers, Linda Coggins Roberts*
