“ I send this with prayers, blessings, and love that she had the peaceful transition she yearned for and that she was received with open arms by those she loved and who had gone before her. I met he when she was on a visit to see Pam, her Daughter and Steve in WA State. I remember her welcoming conversation and friendly nature. I may not have known her a lifetime but I know that she had a hand in bringing me my dearest of friends, Pam. For that I will be forever grateful. Wishing peace for her entire family.
