“ Candy and I became close friends when she was a volunteer at Greer Community Ministries.

She was always so quick to offer her help, whether it was to cover a volunteer shift, sponsor gifts for GCM and Meals on Wheels 12 days of Christmas program, purchase needed items for the food pantry. You name it, she was always eager to assist however she could. She often signed her sisters up too. The Fowler Ladies always came through no matter what. Candy admirably was a volunteer for well over 10 years.

Candy was a huge support to me when my mother was ill, and I'll never forget how thoughtful and sweet she always was.

Her afternoon shifts at the ministry most often ended with her 10-minute "Jam Sessions", when she played for us her favorites, Vince Gill, The Eagles and Linda Ronstadt.

Rest in peace my dear friend, your work here is done.

“ With sympathy. Words can't wipe away your tears. Hugs won't ease the pain. But hold on to your memories. Forever they'll remain.

“ *Candy was an excellent nurse and my treasured friend for many years. We used to walk about the days we worked together. I will miss the calls and texts, but I know she's no longer suffering. I will be praying for all of her family that she dearly loved. May God's love peace, and comfort sustain all of you in the days to come.*
