“ Carey was great! I loved his friendly spirit and how he was so patient with me whenever we went for the youth retreat at Daytona Beach, florida! If you were willing to help, Carey was willing to teach how to cook! Thanks Carey for being so patient with me! I promise not to be SO-Mean to people! LOL!

“ I'm so sorry I missed the visitation on Sunday . I , for some reason thought it was today . Anyway I plan to come to the funeral . Carey has been a friend to me for more years than I can say . I met him through the days of bowling at the Peach Bowl . My late Bro in law bowled there , too . Carey was the nicest , sweetest thing and every time I would see him , he smiled that big contagious smile he had . I just had to to smile back . I know the entire family , Kim , David , Steve , and Carey . I will certainly miss my friend . Loved him . I'll see him again , though , one day . So sad for what Charlotte , Renae and all must endure today .

“ My heart has been heavy since I heard the news that this world has lost a great man. The man that I have fondly called Gary (not Carey) for years made an impact on my family's lives when our son was born, who he nick named Booger and gave him a RBC ball jersey with that name on it. But we go way back before that, we have loved and known his families over 30 yrs. We will forever keep him in our memory and laugh at the joyful times we shared with you all. This world is not his home, he is HOME now. Until we meet again, keep smiling my friend.

WITH MUCH LOVE,

Tommy, Wanda & Stephen Spearman
