“ To Carey's family,
I am very sorry for your loss. Carey was one of my classmates during middle & high school.
I was a "peer tutor" in Mr. Mauldin's special ed. class and got to spend some time with Mr. Carey (as I called him). I also had the privilege of being able to take care of him as his nurse in the ER several times when he was an adult.

💔 Carey meant a lot to many people. I never heard him complain once about his situation. He just loved living.
The world has lost a little piece of something very special! And he will be missed!

“ I used to shuttle Carey to and from Riverside Baptist Church. I got to go in his home and meet his family. They were very nice people. Despite the bad hand he had been dealt in his life, he always made it a point to attend church. I'm grateful that he is at rest and can enjoy heaven in a fresh and healthy body. Have fun up there buddy. Take care.
