“ Michael, I am so sorry to hear about your father's passing. I always enjoyed talking to Mr. Pittman and assisting him with his utility needs for his properties. He would always tell me that he did not want to bother me but he knew I would take care of what he needed which made me happy that I was there for him. Please know you and your family are in my prayers and I will be here for you when you need any assistance with utilities. God bless. Fredia Snow

“ Carl and his family have been a great asset to our ministry for many years. My father, Jimmy Thompson loved the entire family, especially, "Little Jimmy". I regret that I will not be able to attend the funeral as I will be out of state for another funeral tomorrow. Please know that I'll remember the family in prayer and will never forget Junior, Jimmy and Ruby.
