“ So sorry to have read of Doony's death. Don't know where to start----  
-I have so many memories of him in our youth. We grew up on the Southern Bleachery Mill Village and lived across the street from each other and went all the way through school together. For some reason I've always been able to remember his birthday on June 23 and called him on his birthday at times. Although I hardly ever saw him I still thought about him and cherished the memories of him and his family.  
May God bless each of you at this time.
