“ Well, I met rock many years ago as we were a couple for a few years, I also am very proud of who rock became, he always had a good heart., I'm very glad he gave his life to Christ. I loved his mom very much as well as my 3 kids who were young then. I just have learned of his passing and my heart broke I didn't know sooner, I would have come to his services. I would also like to know what happened to him I know we had talked and he was I. Tx, working for big dog rig, and got a bike and doing good. I would love to know what happened to him, if someone would let me know thank u. I'll be seeing u again one day rock in heaven.:-) ”

“ As Rock used to always "sing" ... "I got sunshine on a cloudy day" ... he brought lots of sunshine to anyone he was around. I'm gonna miss that song and that smile. Rock had the biggest heart of anyone I ever met. I'm proud of the person he became. He never lost his Faith in God, no matter what. One song that comes to mind when I think of him now is Free Bird. Glad he is finally at peace and rolling on - on that Highway of gold - in Heaven. ”

“ *I met Carl "Rock" and my nickname for him "Tickle" when he started working for Big Dog Rig Movers. He became a fixture at the office and always made us smile. Sometimes it was a "what is he up to now" smile but non the less a smile. Everyone calls him Rock and I call him Tickle cause he reminds me of "Tickle" from Moonshiners. He got the biggest kick when I told him that, he thought that was funny. Every time he called the office he would say, "This is Tickle" in that goofy funny voice and we'd both laugh. I was extremely sad when I was told of his passing, along with everyone that he worked with. Everyone that is mourning for Carl, you are all in our thoughts and prayers. Tickle, it was a pleasure meeting you, RIP*
