“ *“Steve...you have been in my thoughts and prayers over these past years as you have taken such good care of your dad. He and your mom have always held such a special place in my heart. As Jane Thorne said, the girls who were Dixie’s best friends always had an away from home place to relax and be loved. And your mom always bought whatever Sandy was selling for school. It’s sad that this generation of good friends are slowly passing from us, but we are left with precious memories. Patsy Edney”*

“ *Bless Carlie's heart He's had a long journey. Your dad and mom was so good to us girls that ran with Dixie. I would go up your house to spend time just with them if Dixie wasn't home. Bill thought a lot of Carlie too. When Carlie use to go out to eat before he went into assisted living, we would be out eating and Carlie was there and he would come over and spend some time with us just talking. He was a sweet kind ,man as was your mother He's celebrating with all of them now in heaven. He will be missed and Steve you did a great job with him. You and Kim are in our prayers and God will bless you. Bill and Jane Thorne*
