“ Words cannot express my sadness. Wade was a great friend. We became friends in 7th grade. He was there for me through so many events in my life. Although we haven't spoken in sometime I will truly miss him. I wish I'd had the chance to tell him that I always loved and cared for him so much... he was my first love. Karin, you are in my prayers. Thank you to you, Wade, and Gary for all you did for me.##imported-begin##Jodie Vogel##imported-end##

“ Karen,
I'm so saddened and sorry to hear about Wade. When I worked there at Uniway with him, he was like my little brother. We argued, and laughed as siblings would. I did keep in touch with him some after I left and moved to TN. He told me about his beautiful little girl, and how things were going with you and the Uniway family. Wade was a kind bright young man, who I'm sure will be missed by all who knew him. I'm also sorry to have heard about Gary. I didn't know. My love, prayers and hugs to you....Janine##imported-begin##Janine Barnett Burgan##imported-end##
