“ Let me start by saying Carol had a great impact on my life , she taught me so many valuable lessons in life and I will miss her dearly! Not only was she a friend but she was my mother in law for several years. We grew closer and closer over the years and there's nothing I wouldn't have done for her. Carol has now moved on to be with her lord and savior, she will be missed by many , she was a wonderful wife to a man I respect very dearly Mr Charles Evans and a cherished mother, grandmother, and great grandmother we will all miss her little stories and memories she shared with us daily! Though we will all miss her I'm grateful for the many years I got to know her and I just wanted to share my love for her with all of her loved ones, We will all greive losing you but we should all rejoice that you're not in anymore pain now and you can rest.
