“ Wonderful person, I am sorry for your loss. I do not have a lot of memories to share, but the select few times that I do remember are happy times. What a great dad to the children that I know, a great grandfather and just an all round good person. These times are sad, we never want to let go of the people we love. I am honored to have met him, honored to be a part of the family and will be honored to break bread with him in heaven. Much love an prayers to the entire family. May God put his loving arms around each and every one of you. Much Love Brad
