“ Dear Byars Family,
My thoughts and prayers are with you at this very difficult time. Carol will be missed by all that knew her. She was one of the most caring individuals I have ever know, who loved her family deeply. Carol was not only my hairdresser but also a friend, she helped me thru many hard times when I was greiving the loss of my Husband. I could call her and we would talk for hours remember those we had lost telling each other wonderful memories and how we would see them again. Together we helped each other thru our pain and grief. There are no words at this time that will lessen the pain we all feel at our loss of Carol, only sharing the wonderful memories of such a beautiful and caring life will over time lessen the pain. Your family will be in my prayers in the days to come as I remember the warm and caring friend I had in Carol.
In Gods Love,

“ Please accept my deepest sympathy for your loss. I have known Carol for many years and definitely considered her a friend that I cared about deeply. Sitting in her chair for hours gave us lots of time to talk. She always spoke about her family and her love and pride for all of you. My prayers will be for all who had the great blessing of knowing her to be able to accept not having her with us any longer.##imported-begin##Donna Navarro##imported-end##
