“ I just heard from a classmate from Frankfurt American High School about Carol passing. Carol and I were good friends in 10th grade. Never forgot about Carol as she was a very special person. Allen St. Amour

“ I can't find the words to express exactly what Carol meant to me but I'll try. When I started working nights in MICU, I was a new nurse. Carol was one of the people who was responsible for making sure that when I finished orientation, I would be a safe, competent nurse. She was truly one of the best nurses I have ever known. I considered her a mentor as well as a friend. Even though it had been awhile since we'd caught up, the last time I saw her it was like old times and we parted, both laughing. I will always remember her laugh and smile. Thank you for all you taught me.
To Stan, Andi, Callie and other family: I am so sorry for your loss and I will pray for peace and comfort during this time. Rachel Montjoy

“ Girl I can't believe you are gone I remember when you were pregnant with the girls and had to wear sandals to work. All of the coaching you gave me. All of the trips to the theater . Good bye old friend. And one of the best nurses I know.

“ I worked with Carol on nights for many years. She was a great nurse and a great person to work with. She always had a smile and would make people laugh. I love her and I know her family will miss her. Fly high Carol.

“ Carol and I worked nights together for about eight years before she retired. She was a hoot to work with. Needless to say we had some interesting conversations about cats, politics, books and movies over the years. Made working nights easier. I never was much for reading books but working with her I started reading books she past on to me. Oh and don't forget about Shark Week. Every year she would send out a text that Shark Week was coming. I love her like a sister and will miss her. R.I.P. sweet and crazy Cat Lady. Sandra Adcox

“ I loved talking w Carol. She saw me once when she was driving in around Christmas time as I had ran out to my car in my red fussy robe. She rolled down her window and said I looked like Santa Clause!!!! I said I am and you're on the naughty list! She had a fantastic sense of humor always ! I will miss her being my neighbor 🙏
